

Transport insurance

The transport collides, the cargo tips over or is stolen! Who pays for the damage?

The carrier's liability is usually very limited.
Insurance is therefore needed for adequate compensation.

In close cooperation with reputable insurance companies, the a. hartrodt group offers insurance cover in line with the market and individually tailored insurance services.

Your advantages by covering transport insurance through a. hartrodt:

- Safeguarding exclusions of liability (e.g. force majeure)
- Compensation for damages beyond liability limits
- Fast and straightforward regulation after submission of the required documents
- Individual options regarding the scope of insurance cover
- Fulfilment of delivery and letter of credit conditions

What can be covered / insured?

- Full cover / Limited cover
- Additional risks such as risk of breakage, war/strike, etc.
- Inclusion of freight charges
- Inclusion of customs duties, taxes and levies
- Inclusion of imaginary profit (loss of profit of the buyer)

What is compensated in the event of a claim?

- Damage to goods/property (value of goods)
- Contributions to General Average (Havarie Grosse)
- Loss prevention, loss mitigation and loss assessment costs
- Other costs, if included in the insured amount (e.g. freight & customs duties)

We will be happy to arrange transport insurance for you - tailored to your needs.
