## ITALY

Food & beverage logistics is a highly specialized division of a. hartrodt, established in 2005 in order to fulfill the challenging demands required by the proper handling of food and beverage related products.

In Italy, the country of food and wine excellences, our company operates today from the head-office based in Genoa, in charge of sea-freight activities and administration and from its branch in Milano, in charge of air-freight and truck transportation services.

The new integrated 2,500 m<sup>2</sup> warehouse includes temperature controlled areas. It allows us to offer our clients not only pure warehousing, pick & pack and distribution services, but also and most of all a consolidation hub, able to serve the whole Mediterranean area extended to Switzerland and Austria for groupage services to over 15 destinations. Additionally our warehouse has obtained authorizations from the customs authorities for approved place, temporary storage, authorized consignee and known consignor.
